

How to Join OHJA Through Ontario Equestrian

Go to <https://ontarioequestrian.ca/> to renew your OE and OHJA memberships. You will need your Provincial memberships in place before you can renew your EC Memberships.

If you are a returning/renewing member select "Login".

Please note, if you are a returning member, ensure to use the same login and email address that was linked to your last year's membership.

If you create a new account, you will be assigned a new OE and OHJA number. If you are a new member select "Join".

Once you have logged in or created a new account.

Choose either individual or family to renew your OE, depending on your needs. Family memberships are for those with either 2 Adults and 2 Juniors, OR 1 Adult and 3 Juniors.

Select the individual you are registering, or create them if they have never been a member before and fill out personal identifiers (see below)

First, choose the OE membership which applies to you. In this case, the member already has a 2020 OE membership. You will not be able to select OHJA memberships without an underpinning OE.

*NOTE – if you are from out of province and require an OHJA, you do not need an OE, please contact Kelly at 905-709-6545 ext. 13 and she can assist you in proofing your PSO and obtaining your OHJA.

Select your OHJA membership(s) needed. As seen in screenshot below, you will not be able to purchase a Syndicate membership without prior selection of individual adult.
