President's Address

Welcome to the 2009 OHJA Awards Night and Annual General Meeting. The OHJA provides diverse horse and rider programs for the competitor in Ontario. The Banquet and Auction tonight are a reflection of the success of our efforts. Many thanks to Di Langmuir, Past President, and her Committee for their time spent preparing for this evening and to Christine Reupke, our fundraising Auction chairperson.

Along with the festivities this evening, the OHJA hosts its AGM. We recognize the business side of the party is not a particularly popular choice, but in order to keep our membership advised of the operations of their Association, we choose this venue.

The 2009 season for Competitions has come to a successful close with the completion of the Royal this week. Like the fashion industry, your Board has already been looking ahead to the New Year to set goals and improve our service to the membership. Keep an eye on the OHJA website for Annual Committee Reports, as well as "What's New" for 2010. Remember, the OHJA always welcomes new volunteers and new ideas. Fasten your helmets, shine your boots, respect your fellow competitors, and prepare for fun in 2010!
