

## **President's Address**

*Tonight, The OHJA banquet is an opportunity to personally congratulate and thank our friends, family, and colleagues. The success of 2012 should be a reminder to share your appreciation during the holiday season.*

*There are so many people in our lives who keep us "on the road" Quickly, off the top of my head, I can think of my blacksmith, in consultation with another, who kept a quarter crack patched so I missed very little show time; our carrot delivery man saved me both money and shopping hours: my groom saved my allergies with her time removing mud and manure stains and kept horses and rider organized. My coach kept me focused: a braider relieved my arthritic hands; a friend who allowed me to "winter" in her arena; another friend who supported me at the ring, rain or shine. And that is just the short list! Lots of our members have parents and partners to thank as well.*

*It takes a lot of time and effort for success in our sport. It takes very little time to "text" a thank you. Why not try an old fashioned phone call or note to the people in our lives who make this all possible? It is the season. Enjoy!*

**Deborah Weir**

*President, OHJA*
