

President's Address

Welcome to the 2015 Ontario Hunter Jumper Association Banquet and Annual General Meeting.

Ontario was honoured to host the Pan American Games this year and I hope that many of you were inspired, as I was by the incredible talent we were privileged to watch this summer. I look for bright times ahead for the Ontario Gold and Platinum Horse Shows as we progress into the future. Congratulations and thank you to all our venues for putting on some of the finest equestrian events available in Canada.

I'm also excited about the new young talent I see emerging from the Junior Divisions. I encourage all of our young riders to chase their dreams and work hard to make them a reality! Be a good student of the sport, learn to understand what makes your equine partner tick and you'll be a better, more accomplished equestrian...success awaits you!

Thank you for joining us this evening in celebrating the successes of your season and we wish you another wonderful year of competition at all our wonderful venues in 2016.
