

## **President's Address**

*Welcome to the 2016 Ontario Hunter Jumper Association Banquet and Annual General Meeting.*

*Congratulations to our Olympic Jumping Team who had great success in Rio placing a very close 4<sup>th</sup> and Eric Lamaze winning an individual bronze medal. A testament to the continued growth of our sport in Canada.*

*For the rest of us it's been a very busy show season this year. The emergence of the U25 Program has highlighted the young talented riders in the Jumper Ring and the Young Horse Program has showcased the talented animals being developed in Ontario.*

*The three main show facilities did a fabulous job creating an environment leading to the success of our riders in the hunter, jumper and equitation divisions.*

*This evening is about celebrating the success of your 2016 season and we thank you for joining us. On behalf of the OHJA Board of Directors I wish you another wonderful year of competition in 2017.*

**Evie Frisque**
